~~Anthem Study Guide Anthem is one of Ayn Rand 's earlier works, and presages the fears of collectivism that characterize Objectivism and her later work, such as The Fountainhead and Atlas Shrugged. The novel is set in the future and has a universal, timeless feel in its characterization of an ideal character's struggle against a monolithic state.~~

~~Anthem Introduction. Anthem is a novella written by the controversial novelist and popular philosopher Ayn Rand in 1937. Like Orwell's 1984 and Huxley's Brave New World, it's a work of dystopian literature that depicts an oppressive society you'd never want to live in. In the society Rand portrays in Anthem, individuality has been completely erased right down to the first-person singular (the characters say "we" instead of "I").~~

~~The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic, familiar format. CliffsNotes on Anthem is an excellent introduction to Ayn Rand ' s philosophy of human nature. The novella ' s theme and central conflict—the individual versus the collective—is an important element of her moral and political philosophy. This study guide will help you understand the story of Anthem which takes place in an unnamed Communist- or Facist-like dictatorship of the future. Meet the hero, Equality 7-2521, a brilliant young man who yearns to be a scientist but is held back by a government that fears his intelligence. Your grasp on this novella will be strong with these features that help you study: Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A ResourceCenter full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.~~

~~My happiness is not the means to any end. It is the end. It is its own goal. It is its own purpose. Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and a clear predecessor to her later masterpieces. The Fountainhead and Atlas Shrugged. In Anthem, Rand examines a frightening future in which individuals have no name, no independence, and no values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him--a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd--to think and choose for himself, to discover electricity, and to love the woman of his choice. Now he has been marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word--"I."~~

~~Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated (for example, the use of the word "I" or "Ego" is punishable by death).This edition includes a comprehensive study guide and the full novella.~~

~~The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand ' s provocative novel presents one of the most challenging ideas in all of fiction—that man ' s ego is the fountainhead of human progress... " A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall. " —The New York Times~~

~~Ayn Rand's first published novel, a timeless story that explores the struggles of the individual against the state in Soviet Russia. First published in 1936, We the Living portrays the impact of the Russian Revolution on three human beings who demand the right to live their own lives and pursue their own happiness. It tells of a young woman ' s passionate love, held like a fortress against the corrupting evil of a totalitarian state. We the Living is not a story of politics, but of the men and women who have to struggle for existence behind the Red banners and slogans. It is a picture of what those slogans do to human beings. What happens to the defiant ones? What happens to those who succumb? Against a vivid panorama of political revolution and personal revolt, Ayn Rand shows what the theory of socialism means in practice. Includes an Introduction and Afterword by Ayn Rand ' s Philosophical Heir, Leonard Peikoff~~

~~The controversial classic work of one individual's will versus the subjugation of society-now available as a compelling graphic novel. In all that was left of humanity there was only one man who dared to think, seek, and love. He, Equality 7-2521, would place his life in jeopardy. For his knowledge was regarded as a treacherous blasphemy. He had rediscovered the lost and holy word..."I".~~
