Published in 1974, *Western Attitudes Toward Death from the Middle Ages to the Present* was French historian Philippe Ariès's first major publication on the subject of death. Ariès was well known for his work as a medievalist and a historian of the family, but the history of death was the subject of his work in his last decade of scholarly life. Ariès wrote several major books and articles on death mentalities and is credited with introducing death as a topic for historical inquiry. Western ...
