Benny is the amazing account of how
Lynch battled his way above and beyond
the 'fifty-shilling men' of his home town of
Glasgow to become the champion of
Scotland, Britain, Europe and the world,
earning a reputation as one of the greatest
pugilists of all time. But this absorbing
biography also details how his career sadly
came to a premature halt because of
Lynch's alcoholism, which destroyed his
health and led to him being abandoned by
his countless followers.
