brilliance is to recognize that directors, actors, writers, and technicians are involved in a process that is at essence a collaboration. In order for them to have the best shot at creating something true and meaningful, they must share a language and a method of exchange that fosters creative cooperation.

Directing Actors by
Judith Weston

Unlike most books on acting which focus on techniques that may work great on stage but are worse than disastrous on film, Judith Weston goes under the surface of acting and directing to the core of what a close-up camera needs to see.
