Helping at its best is supportive, not controlling; strengthening, not debilitating; mobilizing, not paralyzing. When helping hurts, it is no longer helping. It is enabling. Enabling is often disguised as helping, but it ' s quite the opposite. Enabling creates a sense of powerlessness, often discouraging and demotivating the person who needs help.

[When Helping Hurts: A Lesson on Enabling](#)

When Helping Hurts shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy--and that God in the gospel is reconciling all things to himself.

When Helping Hurts is a great book that launches a lifestyle of humility and empowerment in caring for the poor. This book exposes the harm of God-complexes in Christians—specifically North American Christians—and calls for the reconciliation of all people to God, to each other, to themselves, and to creation.

As implied by the subtitle, the main premise of *When Helping Hurts* is that efforts to help those who are less fortunate often do more harm than good—to both the receiver and the giver. In communicating practical and tested insights on the subject, authors Steve Corbett and Brian Fikkert divide their book into three sections, first providing foundational concepts, then adding general principles, and concluding with practical strategies to provide assistance in a truly beneficial manner.

This doesn't mean that my old hurts and stories don't impact me still. Or that I don't have times I think I need to do it all on my own. Or, that I don't have that old story re-visit: the one that tells me that my worth is tied up in how I am able to help someone else but that I can't ask for help because I am not worthy.

Publisher Description. With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good.
