Andrea Smith's paper, "Heteropatriarchy and the Three Pillars of White Supremacy" aims to provide an alternative framework for women of color organizing and politics. Smith names the pillars of white supremacy in order to demonstrate that while all people of color are oppressed it in different ways. She argues that the differences of experiences across women of color communities provide a space for organizing around solidary politics.

The three pillars that Smith describes uphold continued white supremacy that exists in the form of privilege and wealth, and are based upon a cultural foundation of heterosexism and patriarchy. The core ethics of permaculture represent alternatives to these pillars, as I will show below. The first pillar is the logic of slaveability/capitalism.
