Jay's Journal is a book presented as an autobiographical account of a depressed teenage boy who becomes involved with a Satanic group. After participating in several occult rituals, "Jay" believes he is being haunted by a demon named Raul.

Jay's Journal - Wikipedia

Once again a "true story" in the form of a diary. Jay's Journal is a tale of drugs and the occult, and how his involvement with these things lead the eponymous author to suicide. It's a rather shallow tale; I doubt anyone who's seriously been involved with either drugs or voodoo will find it the least bit credible.

Jay's Journal is an interesting book written by Jay. The story is about Jay and how he was led into witchcraft and the occult and using drugs by his girlfriend and others. The author tells how Jay was led into all of this, and it also tells how he got his two best friends into using the same stuff and into the occult also known as the O.
