Wanting to fight with that impudent knight, the dragon quickly flew out of the cave, towards the other side of the world, in a journey which lasted more than a month. When Edward was sure the dragon was far away , he came out of his hiding place, entered the castle, and set free all the prisoners inside.

When a Knight Won His Spurs is a children's hymn written by Jan Struther and set to a folk melody and harmonised by Ralph Vaughan Williams. The hymn first appeared in Songs of Praise in 1931.. The hymn is sometimes performed by folk singers on account of the folk origins of its tune, notably by Martin Simpson during Prom 5 (Folk day - part 2) in the BBC Proms on July 20, 2008.

The controversial coach discusses his many achievements, from being named coach of the year four times to taking the Hoosiers to the Final Four five times, and reveals his trials as Indiana University's basketball coach.

Bob Knight was a head coach in college basketball at twenty-four, coach of an unbeaten NCAA champion at thirty-five, coach of the last amateur team to win the Olympic men's basketball gold medal at forty-three, and out of a job at not quite sixty. His shock, disappointment and anger over Indiana University's manner of firing a twenty-nine-year employee comes through clearly in his account of his last turbulent year there. And it is his account. Few people in sports have had more books written about them. This is the first by Bob Knight - one of the most literate, candid, quoted and outspoken men in American public life telling in this first-person account of his full, rich life. Much of that life has been in basketball, most of it because of basketball, but it also has brought him forward as a coach who has proved academic responsibility and production of championship college athletic teams not only can co-exist but should. His excitement as things start anew for him at Texas Tech is matched here by his characteristic frankness and remarkable recollection of a life he clearly has enjoyed. You'll see why, as he tells story after story - some delightful, some hilarious, some poignant, none of them dull. Knight, as a sophomore front-line reserve on the Ohio State team that won the NCAA championship, became the first man to play on and coach a championship team when he led his 1975-76 Indiana team to a 32-0 season that was capped by an 86-68 victory over Michigan in the NCAA championship game at Philadelphia. His Indiana teams in 1980-81 and 1986-87 also won NCAA titles, making him one of just four coaches in history to win as many as three championships. Twenty-six years later, the 1975-76 Indiana team still stands as the last unbeaten team in major- college men's basketball. Knight's coaching career includes six seasons at Army, where his teams - during the years when the Vietnam War made recruiting for West Point difficult - won 102 games and lost 50. He is one of five coaches who have won seven hundred games, and the only coach whose teams have won championships in the NCAA tournament, the National Invitation Tournament, the Olympic Games and the Pan American Games. During all that he has been at the heart of more controversies while running a winning and squeaky-clean program than any coach of any sport any time or anywhere. His excitement as things start anew for him is matched here by his candor and remarkable recollection of a life he clearly has enjoyed. You'll see why, with story after story - some delightful, some hilarious, some poignant, none of them dull: the story of Bob Knight's life.

The controversial coach discusses his many achievements, from being named coach of the year four times to taking the Hoosiers to the Final Four five times, and reveals his trials as Indiana University's basketball coach.

All-American basketball guard Alford tells the inside story on playing for the brilliant but volatile Indiana coach Bob Knight as the star guard for the Hoosiers, winners of the 1987 NCAA Championship.

Bob Knight was a head coach in college basketball at 24, coach of an unbeaten NCAA champion at 35, coach of the last amateur team to win the Olympic men's basketball gold medal at 43, and out of a job at not quite 60. Using examples from his long career, a legendary basketball coach outlines the benefits of negative thinking, which helps build a realistic strategy that takes all potential obstacles into account.

What happens when a 6' 9" kid from Lobelville, Tennessee is recruited by legendary basketball coach Bob Knight? Kirk Haston's life was changed forever with just a two-minute phone call. Containing previously unknown Knight stories, anecdotes, and choice quotes, fans will gain an inside look at the notoriously private man and his no-nonsense coaching style. Which past Hoosier basketball greats returned to talk to and practice with current teams? How did Knight mentally challenge his players in practices? How did the players feel when Knight was fired? In this touching and humorous book, Haston shares these answers and more, including his own Hoosier high school shooting a famous three-point winning shot against number one ranked Michigan State and losing his mom in a heartbreaking tornado accident. *Days of Knight* is a book every die-hard IU basketball fan will treasure.

A portrait of the controversial basketball coach traces his tenure with Indiana University and offers insight into the darker side of his personality as well as the methods that led to his numerous awards.

For 30 years, celebrated sports journalist Bob Hammel has reported on a variety of games and athletes—the Olympics, Pan American Games, 23 NCAA Final Fours, Major League Baseball playoffs and World Series, college football bowl games, Muhammad Ali's last championship victory, and dozens of Indiana high school basketball Final Fours. In all that time, however, he's never written much about himself—until now. In *Last Press Bus Out of Middletown*, Bob tells the story of how an Indiana sports journalist without a college degree, armed with talent, gumption, and a whole lot of inspiration and advice from those he worked with, earned national attention while still working for his small-town newspaper. From Bob Knight to Mark Spitz, from the horrors of the Munich Olympics tragedy to the Hoosiers' exhilarating clinching of the NCAA basketball championship, Bob Hammel's journey has been unforgettable. Even in his 80s, it's a dream that still has him smiling and storytelling.

Age Level: 4 to 8 | Grade Level: K to 4 What's a knight's greatest power? Stories, of course! From the beloved author/illustrator team behind *The Snatchabook* comes the ultimate storytime book about castles, knights, dragons, and the power of stories! Even dragons love a good story... Leo was a gentle knight in thought and word and deed. While other knights liked fighting, Leo liked to sit and read... When Leo's mom and dad pack him off to fight a dragon, he takes a shield, a sword--and a pile of his favorite books. But can a story be as mighty as a sword? This delightful rhyming story about books and the joy of reading is also perfect for kids who love dragon books, adventures, brave knights, and books about castles! An Autumn 2016
