Imperial Liquor is a chronicle of melancholy, a reaction to the monotony of racism. These poems concern loneliness, fear, fatigue, rage, and love; they hold fatherhood held against the vulnerability of the black male body, aging, and urban decay. Part remembrance, part swan song for the Compton, California of the 1980s, Johnson examines the limitations of romance to heal broken relationships or rebuild a broken city. Slow Jams, red-lit rooms, cheap liquor, like seduction and betrayal—what ' s more American? This book tracks echoes, rides the residue of music " after the love is gone." Smokey the most dangerous men in my neighborhood only listened to love songs to reach those notes a musicologist told me a man essentially cuts his own throat. some nights even now, i ' ll hear a falsetto and think i should run

Two line cooks decide to open their own restaurant in New Orleans in the second book in the Rickey and G-Man series by novelist Poppy Z. Brite. New Orleans natives Rickey and G-man are lifetime friends and down-and-out line cooks desperate to make a quick buck. When Rickey concocts the idea of opening a restaurant in their alcohol-loving hometown where every dish packs a spirited punch, they know they ' re on their way to the bank. With some wheeling and dealing, a slew of great recipes, and a few lucky breaks, Rickey and G-man are soon on their way to opening Liquor, their very own restaurant. But first they need to pacify a local crank who doesn ' t want to see his neighborhood disturbed, sidestep Rickey ' s deranged ex-boss, rein in their big-mouth silent partner before he runs amok, and stay afloat in a stew of corruption in a town well known for its bottom feeders. A manic, spicy romp through the kitchens, back alleys, dive bars, and drug deals of the country ' s most sublimely ridiculous city, author Poppy Z. Brite masterfully shakes equal parts ambition, scandal, cocaine, and murder, and serves Liquor straight up, with a twist.

For six years Maya Stovall staged Liquor Store Theatre, a conceptual art and anthropology video project—including in the Whitney Biennial in 2017—in which she danced near the liquor stores in her Detroit neighborhood as a way to start conversations with her neighbors. In this book of the same name, Stovall uses the project as a point of departure for understanding everyday life in Detroit and the possibilities for ethnographic research, art, and knowledge creation. Her conversations with her neighbors—which touch on everything from economics, aesthetics, and sex to the political and economic racism that undergirds Detroit's history—bring to light rarely acknowledged experiences of longtime Detroiters. In these exchanges, Stovall enacts an innovative form of ethnographic engagement that offers new modes of integrating the social sciences with the arts in ways that exceed what either approach can achieve alone.

A well-known, well-loved African-American storyteller narrates her grandmother and grandfather's favorite tales, tales reflecting black history and featuring characters from folklore, the Bible, and her own extended family.

In 1920, the 18th Amendment made the production, transportation and sale of alcohol not merely illegal—it was unconstitutional. Yet no legislation could end the demand for alcohol. Enterprising rumrunners worked to meet that demand with cunning, courage, machineguns and speedboats powered by aircraft engines. They out-maneuvered the U.S. Coast Guard and risked their lives to deliver illicit liquor. Smugglers like Bill McCoy, the Bahama Queen, and the Gulf Stream Pirate, along with many others, ran operations along the U.S. coastline until Prohibition was repealed in 1933. Drawing on legal records, newspaper articles and Coast Guard files, this history describes how rumrunners battled the Dry Navy and corrupted U.S. law enforcement, in order to keep America wet.

The poems in this collection transform the author's hometown into a poetic

How do you gain wisdom? In what ways can life teach you the lessons you must learn? Wisdom does not come with age, but with experience- especially when those experiences draw us closer to God. Pot Liquor is a 'look back' at the richness of the experiences of others. Handed-down stories are wonderful resources for learning because you can benefit from the life lessons without experiencing the pain they caused. Only after you put some distance of time between an experience and the pain that resulted can you learn God's purpose for it. You can learn more about life over a 'bowl' of collard greens and some good conversation' than you can learn on a therapist's couch. This book is a literary feast that Dr. Thompson passes on to you. Pot Liquor is a full course spiritual meal that is guaranteed to feed your soul and keep you coming back for more of the lessons in the leftovers. Pull yourself up to the table and enjoy!
