The one dimensional view of power is very simple to grasp and can be observed with relative ease. The theory gives a straightforward way of thinking about “ the behavioural study of decision-making power by political actors ” (Lukes, 1974: 57). It would be useful in many cases, especially where pluralist power structures have been established.

Lukes' Three Dimensions of Power - UK Essays

One of Lukes' academic theories is that of the "three faces of power," presented in his book, Power: A Radical View. This theory claims that power is exercised in three ways: decision-making power, non-decision-making power, and ideological power. [citation needed] Decision-making power is the most public of the three dimensions.
