"Klasky keeps you entranced from start to finish." — Romantic Times Librarian Jane Madison discovered she's a witch, and now her life is turning upside down. The local coven has delivered an offer she can't refuse—work a major spell on their behalf or lose her beloved arcane books, her sassy feline familiar, and—worst of all—her compelling astral protector, David Montrose. The coven's test isn't the only challenge Jane faces. Her new boyfriend, a handsome Brit, seems determined to distract her from magic. Her closest witchy friend has a loose grasp on arcane ethics. And Jane hardly knows what to make of her drama-queen mother, her mojito-loving best friend, and her boss's demands that she step up to the next level at work. Is sorcery the answer to Jane's problems? Or does magic spell "disaster" where her love-life is concerned? If you like romantic comedy, romcom, chicklit, or humorous and funny stories about libraries, librarians, witches, witchcraft, magic, fantasy, supernatural or paranormal events, in the vein of The Kiss Quotient, The Hating Game, 99 Percent Mine, The Unhoneymooners, or Practical Magic, you will love this book! Those TV witches have got it made... Wiggle a nose. Dinner's on the table! Hop on a broom. Next stop, Tahiti! Unfortunately, nose-wiggling doesn't cut it in real life. So witch or not, Jane Madison must deal with her insane work schedule, best-friend drama and romantic dry spell like everyone else. But now the exclusive Washington Coven wants Jane to join. This could be a dream come true for the magical misfit, or it could be the most humiliating experience of her life. Either way, the crap's gonna hit the cauldron because Jane is about to be tested in ways

she's never imagined--and, pass or fail, nothing will ever be the same.

Librarian-witch Jane Madison has been invited to join the prestigious Washington Coven - a necessary step, if she's going to hold onto her feline familiar, her beloved arcane books, and her sexy warder, David Montrose. As the Coven's tests become more challenging, though, Jane must decide if she can trust her new witchy friend, Haylee. And then there's that handsome Brit, Graeme Henderson, who is proving to be most distracting.... Jane is about to be tested in ways she's never imagined - and, pass or fail, nothing will ever be the same

Filled with magic — both of the witch world and the romance world — complicated family relationships and a heavy dose of chick-lit humor... — Romantic Times New witch Jane Madison is learning a magical lesson the hard way: use it or lose it! Juggling major deadlines at work and a jam-packed social schedule, librarian Jane took a break from her arcane life. Now, her magic is taking a break from her. Her books are fading, her runes are crumbling, and her entire witchy collection—including her compelling arcane protector David Montrose—may soon be lost. Ordinarily, Jane would just buckle down like a good witch and work a little magic. But her emotions are haywire after an, ahem, unexpectedly amorous encounter with David. And her love life gets even more complicated when she meets a great guy—the type of man a smart woman marries. Confused and desperate, Jane stakes everything on one last-ditch spell. Will Jane get her magic back—along with the man she loves? Or will she be finished as a witch forever? “[A]n irresistible tale of power and love, friendship and acceptance... Charming and insightful.” — Romantic Times Jane Madison has a problem. Or two. Or three. She has a desperate crush on her Imaginary Boyfriend, a man who doesn't know she exists. Her doting grandmother insists she meet her long-absent mother. She's working as a librarian, trapped in absurd costumes and serving up lattes in a last-ditch effort to keep her employer solvent. In lieu of a well-deserved raise, Jane is allowed to live in an ancient cottage on the library grounds. She soon discovers a hidden chamber filled with magical books that awaken her inner witch. Her first spell releases a smart-mouthed feline familiar. Her second makes her irresistible to men. Those witchy workings draw a compelling astral enforcer, David Montrose. Will magic—and David—solve Jane's problems? Or only bring her more disasters?
