This study guide is intended to help prepare you to take the Journeyman Electrician Exam in your city or state. The practice questions in this study guide are

Get Free State Journeyman Test Study Guide Das

structured and formatted in the manner most often encountered on licensing examinations. They are taken from the author's memory, many volumes of study notes and materials, and continuing education classes dating up to and including the 2020 National Electrical Code. (NFPA, 2019).). If you are not familiar with the layout of the codebook. You are not ready to take the licensing exam. Make sure you KNOW how the book is laid out and how to use the Index. That being said, this study guide is intended to help you practice looking up Code articles that are popular with examination writers and to get you familiar with the most commonly tested topics. Enjoy!

Based on the successful training seminar conducted by NEC® expert Charles R. Miller, The Electrician's Exam Prep Manual cuts through complex topics to help students pass Journeyman or Master Electrician licensing exams. Using clear, concise language, this book takes users through the preparation process, explaining every NEC® topic along the way. Aspiring electricians will feel prepared after completing the Manual's 23 sample exams, addressing general electrical knowledge plus NEC® rules. A special feature identifies key Code sections for highlighting, to assist in studying and to carry in to exams where allowed.
