~~Stick Man audio CD:~~

~~Amazon.co.uk: Donaldson, Julia ...~~

Such a weird concept for a book--the main character is a stick who gets picked up and used as different things by children and animals. It totally works, though! Every child can relate to using a stick as a sword or a bat or a snowman's arm. So clever! My daughter absolutely loves this book, and talks about Stick Man every day when we are outside.
