Still Life is a short play in five scenes by No\u00e9l Coward, one of ten plays that make up Tonight at 8.30, a cycle written to be performed across three evenings.[n 1] One-act plays were unfashionable in the 1920s and 30s, but Coward was fond of the genre and conceived the idea of a set of short pieces to be played across several evenings. The actress most closely associated with him was Gertrude Lawrence, and he wrote the plays as vehicles for them both. The play portrays the chance meeting ...

Noël Coward, Writer: In Which We Serve. Noel Coward virtually invented the concept of Englishness for the 20th century. An astounding polymath - dramatist, actor, writer, composer, lyricist, painter, and wit -- he was defined by his Englishness as much as he defined it. He was indeed the first Brit pop star, the first ambassador of "cool Britannia."
