Book Review: SWAMI AND FRIENDS by R K Narayan

Swami and Friends, set in British-colonial India in the year 1930, begins with an introduction to Swaminathan and his four principal friends: Somu, Sankar, Mani, and the Pea. Swaminathan appreciates his friends' dramatically different personalities, and these differences only strengthen their powerful bond.

R. K. Narayan (1906–2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

The first novel set in "the fictional Indian town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for indepencc compete with his ardor for cricket and all other things British."

Ten-year-old Swaminathan is living in exciting times. The sleeping giant of India is beginning to stir to the dwelling reverberations which herald the great struggle for independence. But it's all rather confusing for the boy. For like his family and friends, Swami has been immutably moulded by his British rulers - and though he might happily demonstrate against them, he wouldn't dream of missing cricket practice.

Swami is ten years old, and life for him consists mainly of having adventures with his friends, avoiding the misery of homework, and coping as best as he can with the teachers and other adults he encounters. His greatest passion is the M CC - the Malgudi Cricket Club - which he founds together with his friends: his greatest day is when the examinations are over and school breaks up - a time for revelry and cheerful ritouness. But the innocent and impulsive Swami lands in trouble when he is carried away by the more serious unrest of India in 1930. Somehow he gets himself expelled from two schools in succession, and when things have gone quite out of hand he is forced to run away from home ... This is far more than a simple narrative of Swami's adventures - charming and entertaining as they are. By the delicate sympathetically observed, the author establishes for us the child's world as the child himself sees it: and beyond, the adult community he will one day belong to - in Swami's case, the town of Malgudi, which provides the setting of almost all Narayan's later novels.

R. K. Narayan (1906-2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The four novels collected here, all written during British rule, bring colonial India into intimate focus through the narrative gifts of this master of literary realism. Swami and Friends introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. The Bachelor of Arts is a poignant coming-of-age novel about a young man flush with first love, but whose freedom to pursue it is hindered by the fixed ideas of his traditional Hindu family. In The Dark Room, Narayan's portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband's humiliations and trying to escape them. The title character in The English Teacher, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. These pioneering novels, luminous in their detail and refreshingly free of artifice, are a gift to twentieth-century literature.

Ruskin Bond has been writing stories for children for over six decades now, delighting and enchanting each new generation of readers with his heart-warming tales of friendship, love and coming-of-age. Curated in this essential collection are some of his best-loved stories, designed to introduce the young reader to Ruskin's cast of beloved characters - from the irrepressible Rusty, with his constant thirst for adventure, to his Grandfather, with his overflowing kindness towards all creatures great and small, from the resolute Bina, who braves a leopard to walk to school, to Suraj and Sunder Singh, who become unlikely friends. Including classic tales such as 'The Girl on the Train', 'Coming Home to Dehra', 'The Room of Many Colours' and 'The Blue Umbrella', in turns funny, touching, whimsical and nostalgic, this collection is a must-read for children and adults alike.

Introducing this collection of stories, R. K. Narayan describes how in India 'the writer has only to look out of the window to pick up a character and thereby a story'. Malgudi Days is the marvellous result. Here Narayan portrays an astrologer, a snake-charmer, a postman, a vendor of pies and chappatis - all kinds of people, drawn in full colour and endearing domestic detail. And under his magician's touch the whole imaginary city of Malgudi springs to life, revealing the essence of India and of human experience.

R. K. Narayan (1906–2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The title character in The English Teacher, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. This pioneering novel, luminous in its detail and refreshingly free of artifice, is a gift to twentieth-century literature.

In the novels of R. K. Narayan (1906-2001), the forefather of modern Indian fiction, human-scale hopes and epiphanies express the promise of a nation as it awakens to its place in the world. Mr. Sampath-The Printer of Malgudi is the story of a businessman who adapts to the collapse of his weekly newspaper by shifting to screenplays, only to have the glamour of it all go to his head. Written after India's independence, this novel is a masterpiece of social comedy, rich in local color and abounding in affectionate humor and generosity of spirit.

This is the story of Nataraj, who earns his living as a printer in the little world of Malgudi, an imaginary town in South India. Nataraj and his close friends, a poet and a journalist, find their congenia l days disturbed when Vasu, a powerful taxidermist, moves in with his stuffed hyenas and pythons, and brings his dancing-women up the printer's private stairs. When Vasu, in search of larger game, threatens the life of a temple elephant that Nataraj has befriended, complications ensue that are both laughable and tragic.
