The covenant that was meant to keep the wizard wars at bay has been stolen, and Trinity must prepare for attack. sanctuary for the gifted. With so much to lose, what will the people of Trinity be willing to fight for—and what will they sacrifice?

For centuries, wizards have avoided making war on each other for fear of waking the legendary dragon that sleeps at Raven's Ghyll. But it is a new age. The patriarch Nicodemus Snowbeard is rapidly failing. The Wizard Houses of the Red and White Rose have united against Claude D'Orsay, Master of Games and keeper of the Dragonhold, and a moment when he and his sadistic son Devereaux seem poised to seize control of all of the magical guilds. But then everything changes ... Jason Haley has been trying to be part of the action for months: he wants to help, but no one seems prepared to let him in. Seph is monitoring the defensive walls. Jack and Ellen are training their ghost army, even his Anaweir friends are doing their bit to help. Only Jason seems to be left out - until he stumbles across a powerful talisman, called the Dragonheart, hidden away in a cave. It seems to sing to Jason, its power calling to him. Perhaps, finally, he's going to be able to help. The final battle is coming, and the magical community of Trinity is about to risk the destruction of everything they care about in order to remain free. The outcome is balanced on a knife edge, and the slightest advantage could turn the tide. If Jason can help, if the moody and

Three boys, three talismans, one destiny. In this page-turning trilogy, Cinda Williams Chima explores what it means to be different, what's worth fighting for, and what's worth dying for... THE WARRIOR HEIR Jack lives an unremarkable life in Trinity, Ohio. Only his daily medicine and the thick scar above his heart set him apart from other teenagers at his high school. Until one day, Jack skips his medicine and finds himself stronger, fiercer, and more confident than ever before. He feels incredible - until he nearly kills another player on the soccer field. Soon, Jack learns the startling truth: he is Weirlind, part of a magical underground society of wizards, warriors, and enchantors. Weir's mighty, feuding houses of the Red Rose and the White Rose determine power through The Game, a modern-day gladiator battle in which warriors from each house fight to the death. The winning house rules the Weir. But Jack finds out that he's not just another member of Weirlind—he's one of the last warriors—and both houses are scouting for a player. THE WIZARD HEIR Sixteen-year-old Seph McCauley has spent the past three years getting kicked out of one exclusive private school after another. Unfortunately it's not his attitude that's the problem. It's the

trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained--and now that the only person who could protect him has died, his powers are escalating out of control. At the Havens, a secluded boys' school in Maine, Seph meets headmaster Gregory Leicester, who promises to initiate him into his order of wizards. But Seph soon learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own malicious agenda. This wizard war is one that Seph may not have the strength to survive. THE DRAGON HEIR The covenant that was meant to keep the wizard wars at bay has been stolen, and Trinity must prepare for attack. Jason Haley finds himself excluded from the action - until he finds the Dragonheart. The opal stone seems to sing to his very soul, but Trinity's guardians seize it after they realize its powers. Madison Moss feels the beating heart of the opal, too. The desire for it surges through her, but Maddie also has a secret. Ever since absorbing the magical blow that was meant to kill Seph, she's been leaking dark powers. Trinity's enemies believe they can use her to get to the Dragonheart - and they'll use anyone she cares about to make her steal the stone for them. Moral compasses spin out of control as a final battle storms through what was once a sanctuary for the gifted. The sequel to *The Warrior Heir* by New York Times and USA Today bestselling author Cinda Williams Chima. Sixteen-year-old Seph McCauley has spent the past three years getting kicked out of one exclusive private school after another. And it's not his attitude that's the problem: it's the trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to *The Warrior Heir*, everyone's got a secret to keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war?

A teen from Ohio discovers he's the last in a long line of magical warriors chosen to fight to the death. Before he knew about the Roses, sixteen-year-old Jack lived an unremarkable life in the small Ohio town of Trinity. Only the medicine he has to take daily and the thick scar above his heart set him apart from the other high-schoolers. Then one day Jack skips his medicine. Suddenly, he is stronger, fiercer, and more confident than ever before. And it feels great—until he loses control of his own strength and nearly kills another player during soccer team tryouts. Soon, Jack learns the startling truth about himself: He is Weirlind; part of an underground society of magical people who live among us. At the head of this magical society sit the feuding houses of the Red Rose and the White Rose, whose power is determined by playing The Game: a magical tournament in which each house sponsors a warrior to fight to the death. The winning house rules the Weir. As if his bizarre magical heritage isn't enough, Jack finds out that he's not just another member of Weirlind—he's one of the last of the warriors, at a time when both houses are scouting for a player.

unscathed: like the other survivors Jonah possesses unique magical gifts that set him apart from members of the mainline guilds. At seventeen, Jonah has become the deadliest assassin in Nightshade, a network that hunts the undead. Emma Claire Greenwood grew up worlds away, raised by a grandfather who taught her music rather than magic. An unschooled wild child, she runs the streets until the night she finds her grandfather dying, gripping a note warning Emma that she might be in danger. The clue he leaves behind leads Emma into Jonah's life—and a shared legacy of secrets and lingering questions. Was Thorn Hill really a peaceful commune? Or was it, as the Wizard Guild claims, a hotbed of underguild terrorists? The Wizards' suspicions grow when members of the mainline guilds start turning up dead. They blame Nightshade, bringing tensions between the groups to a head. Racing against time, Jonah and Emma work to uncover the truth about Thorn Hill, amid increasing concern that whoever planned the Thorn Hill Massacre might strike again.

The delicate peace between Wizards and the underguilds (Warriors, Seers, Enchanters, and Sorcerers) still holds by the thinnest of threads, but powerful forces inside and outside the guilds threaten to sever it completely. Emma and Jonah are at the center of it all. Brought together by their shared history, mutual attraction, and a belief in

THE SPIRIT OF THE ANCIENT CHAMPION, SORAHB, WAS REBORN INTO THE BODY OF A DEGHAN YOUTH. There is not much time left on the Hrum's self-imposed limit -- only a few months. If in that time they don't take all of Farsala, then the Farsalans will regain their independence. Ceaselessly, Soraya, Kavi, and Jiaan work to keep control of what little land remains free from Hrum rule: parts of the countryside, the badlands, and the walled city of Mazad. They have many people helping them, but there is still one important piece missing: a sword that is able to withstand the Hrum's watersteel. In the end Farsala will fall if it can't win in battle. But one thing none of these young heroes can foresee is the growing desperation of the Hrum leaders. It will lead some to break their own laws and sacred pacts and will reveal truths to Kavi, Soraya, and Jiaan about the nature of war, the nature of human beings, and -- most importantly -- the nature of themselves. Hilari Bell builds the action and intrigue to a crescendo in the final installment of this critically acclaimed trilogy.

Three boys, three talismans, one destiny.
