The First Taste is well written, a tad emotional and sexy as hell. I love a good single parent love story, but Andrew Beckwith is now my favorite single dad. What was great about these character and their story was the honesty that they had in there relationship from the beginning. When things started to progress and move in a different ...

THE FIRST TASTE is the second novel in the SLIP OF THE TONGUE series and about a different couple so can most definitely be read and enjoyed as a STANDALONE. The first person narrative features Andrew (the brother of the heroine from the first book in the series) and Amelia (the feisty boss of the heroine from book one.)

Been with maybe 9 people my whole life and more than half of them swallowed with no qualms what so ever, again and again. Two of which said "I love your taste!" Chicks who have average to good hygiene - their cum can taste great and I love when a chick who flows a lot cum's in my face/mouth - especially if she is standing and I am kneeling.

Putting these insights and research to the ultimate test, a social experiment campaign with a twist was created to showcase how flavor can be catalysts to life's meaningful connections. In a short film entitled Love at First Taste, sets of two complete strangers were paired up in a blind date on the basis on their love for the same flavors.
