The New Baby is an adorable activity paperback created to help children make sense of what it means to become a sibling. With humorous and colorful illustrations, children can doodle, color in and create. While the art is in play, little minds can begin to think about the ways in which life will be different once baby arrives, and about the roles of family members. --babyology

You don't need to feel alone in parenting. You don't need to feel like you're failing. And you definitely don't need another parenting book filled with theoretical advice about theoretical children. You need actual parenting help from an actual parent. It's time to feel confident in your parenting. Susie Allison, creator of the massive online community Busy Toddler, is a breath of fresh air. With her humor and engaging personality, she helps parents find their footing, shift their perspective on childhood, and laugh at the twists and turns of parenting we all face. (Yes, it's ok that your child licked a shopping cart - they pretty much all do that.) In Busy Toddler's Guide to Actual Parenting, Susie gives the achievable advice she's known for around the world, from daily life and #beingtwoisfine to tantrums and tattling and teaching the ABCs. The book also includes 50+ of her famous activities that have helped thousands of parents make it to nap time-FYI, the popsicle bath is a game-changer. Susie shares real moments raising her three kids as well as her professional knowledge from eight years as a kindergarten and 1st grade teacher. Her simple and doable approach to parenting will leave you feeling so much better! Let Susie give you the actual parenting advice you need.
