Regulation in the Age of Governance: The Rise of the Post ...

The institutions constrain political actors by punishing deviations from institutionally-prescribed behaviors and rewarding appropriate behavior. Institutions can resolve collection action dilemmas—for example, all governments have a collective interest in reducing carbon emissions, but for individual actors, making a choice for the greater good makes no good sense from an economic standpoint.

The Definition and Purpose of Political Institutions

In mainstream political science, the regulation of informal and illicit economies , if at all existent, is the domain of informal institutions, which are characterised as personalistic, and lacking third party enforcement.

Informal institutions and the regulation of smuggling in ...

Scholars and students of comparative politics, public policy, regulation theory, institutional economics and political sociology will find it to be essential reading. It will also prove a valuable source of reference for those working or dealing with regulatory authorities and for business managers in private industries and services operating under a regulatory framework.
