Eduardo Porter is one of those someones, and his new book *The Price of Everything* shows just how it can be done. The abstract theories are here, but he explains them clearly in terms that the lay reader can understand.

~~Book Review: The Price of Everything: Solving the Mystery ...~~

By the end, you start to wonder exactly what "Mystery" the author was trying to solve. The book doesn't tell you the 'price of everything'. It merely tells you that everything has a price. But I already knew that. The word "Price" in the book's context is a symbolic price, not the actual monetary unit as in marketing or business terms.

~~The Price of Everything: Solving the Mystery of Why We Pay~~

...

Backed by an apparently inexhaustible supply of hard facts and well-interpreted statistics and data laid out in a terse, absorbing style, Eduardo Porter posits in *'The Price of Everything'* that prices exert a profound --and sometimes determining-- influence on many of our individual and collective actions, and on why and how we do many of the things we do.

~~The Price of Everything: Solving the Mystery of Why We Pay~~

...

A performance lecture about value How much is beauty worth? What will people pay for an air guitar on eBay? Can I have a glass of milk? These urgent questions and others are answered in *The Price of Everything*, a performance lecture about value. Daniel Bye's whistlestop tour of bizarre facts and impassioned arguments is occasionally shambolic and often misguided - but always a joy to watch.

The Price of Everything TV-14 | 1h 38min | Documentary | 19 October 2018 (USA) With unprecedented access to pivotal artists and the white-hot market surrounding them, this film dives deep into the contemporary art world, holding a fun-house mirror up to our values and times.

~~The Price of Everything (2018) — IMDb~~

Exploring the labyrinth of the contemporary art world, The Price of Everything examines the role of art and artistic passion in today's money-driven, consumer-based society. The film features collectors, dealers, auctioneers and a rich range of artists, from current market darlings Jeff Koons, Gerhard Richter and Njideka Akunyili Crosby, to one-time art star Larry Poons.

~~Watch The Price of Everything | Prime Video~~

Overall, The Price of Everything is an engaging read that will show readers how just about everything has a price, implicit or explicit, and that our decisions are based on those prices whether we realize that or not. Amazon: The Price of Everything: Solving the Mystery of Why We Pay What We Do

~~The Price of Everything by Eduardo Porter — Neuromarketing Book Review – The Price of Everything: Solving the Mystery of Why We Pay What We Do by Eduardo Porter~~ Looking for more novel pricing strategies for business, I picked up a copy of The Price of Everything by Eduardo Porter. Although I didn't find much practical advice or directly applicable research in the book, some of the insights were quite fascinating.

~~Book review: 'The Price of Everything: Solving the Mystery ...~~

“Nowadays people know the price of everything and the value of nothing.” Oscar Wilde may have been writing about cynics in the late nineteenth century, but the same could be said of some politicians and civil servants today.

Improvements in data recording mean that it is easier than ever to collect, compile and report on statistics.

~~The price of everything and the value of nothing | The ...~~

It is a subjective quantity determined by the seller and the buyer. The relative value of exchanged things is their relative price. This realization lifted prices into their rightful spot as indicators of human preferences and guides of humankind.” ?
