A larger-than-life account of family, greed, and a courtroom showdown between Big Oil rivals from the New York Times—bestselling author of *Private Empire*. Pulitzer Prize-winning author Steve Coll is renowned for “his ability to take complicated, significant business stories and turn them into quick-reading engaging narratives” (Chicago Tribune).

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

Coll is at the height of his talents in this “riveting” tale of one of the most spectacular—and catastrophic—corporate takeovers of all time (Newsday). As the head of a sprawling oil empire, J. Paul Getty was once the world’s richest man. But by 1984, eight years after his death, Getty’s legacy was in tatters: His children were locked in a bitter feud over the family trust and the company he founded was riven by boardroom turmoil. Then Pennzoil made an agreement with Getty’s son, Gordon, to purchase Getty Oil. It was a done deal—until Texaco swooped in to claim the \$10 billion prize. What followed was an epic legal battle that pit “good ole boy” J. Hugh Liedtke of Pennzoil against the Wall Street brokers behind Texaco’s offer. The scandalous details of the case would shock the business world and change the landscape of

the oil industry forever. With a large cast of colorful characters and the dramatic pacing of a novel, The Taking of Getty Oil is a “suspenseful” and “always intriguing” chronicle of one of the most fascinating chapters in American corporate history (Publishers Weekly).

A true story of family, ambition, and greed in the most bitter and controversial takeover struggle in business history.

From the award-winning and bestselling author of Ghost Wars and Directorate S, an “extraordinary” and “monumental” exposé of Big Oil (The Washington Post) Includes a profile of current Secretary of State and former chairman and chief executive of ExxonMobil, Rex Tillerson In

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

**History** this, the first hard-hitting examination of ExxonMobil—the largest and most powerful private corporation in the United States—Steve Coll reveals the true extent of its power. Private Empire pulls back the curtain, tracking the corporation's recent history and its central role on the world stage, beginning with the Exxon Valdez accident in 1989 and leading to the Deepwater Horizon oil spill in the Gulf of Mexico in 2010. The action spans the globe—featuring kidnapping cases, civil wars, and high-stakes struggles at the Kremlin—and the narrative is driven by larger-than-life characters, including corporate legend Lee “Iron Ass” Raymond, ExxonMobil's chief executive until 2005, and current chairman and chief executive Rex Tillerson, President-elect Donald Trump's nomination for Secretary of State. A

History penetrating, news-breaking study, Private Empire is a defining portrait of Big Oil in American politics and foreign policy.

The true story of the Getty family as featured in the TV series Trust and the movie All the Money in the World Boardroom battles, sex, money, drugs, power, crime, tragedy, and family intrigue; at the centre stands the figure of John Paul Getty, the grandfather, an eccentric oil billionaire believed to have been the richest man in the world. Married and divorced five

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

History, he had five sons, and yet was cheated of his dearest ambition-to found an oil dynasty. His angelic youngest son died at age twelve after years of illness. Of the remaining four sons, three proved to be hopeless businessmen and, one by one, dropped out of Getty Oil. Only one had the talent to take the helm of the family business, and he was groomed for the part. And then he killed himself. With his cherished hopes of a family dynasty crushed, John Paul built a magnificent museum as a monument for all time to his success. But money tainted even his philanthropy; the Getty Museum has become feared for its wealth and ability to pillage the art market. In the manoeuvring that followed John Paul's death, Getty Oil was sold; Texaco acquired it for \$9.9 billion, the biggest corporate takeover in history. Award-winning

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

Journalist and writer Russell Miller brings us the extraordinary and often disturbing story of a unique American family. From the pioneering days in the Oklahoma oil fields to the bitter struggles over Getty Oil, we follow the rise and fall of three generations, all cursed with the Midas touch.

It was 1935. Flame-haired Teddy Lynch finished singing "Alone Together" at the swanky nightclub the New Yorker and left the stage to find a charming stranger at her friends' table. It was Jean Paul Getty, enigmatic oil tycoon and America's first billionaire. In her passionate, unflinchingly honest memoir of two outsize lives entwined, Theodora "Teddy" Getty Gaston—now one hundred years old—reveals the glamorous yet painful story of her marriage to Getty. As formidable as he

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

History was, Teddy was equally strong-minded and flamboyant, and their clutches and clashes threw off sparks. She knew the vulnerable side of Getty—he underwent painful plastic surgery and suffered terrible phobias—that few, if any, saw. A vivid love story, *Alone Together* is also a fascinating glimpse into the twentieth century from the vantage point of one of its most remarkable couples. This is how the other half lived—dinner dances, satin gowns, beach houses, hotel suites, first-class cabins on the *Queen Mary*. Teddy's extra-ordinary life story moves from the glittering nightclubs of 1930s New York City to Mussolini's Italy, where she was imprisoned by the fascist regime, to California in the golden postwar years, where Paul and Teddy socialized with movie stars and the elite. But life with one of the world's richest men wasn't all glitz and

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made

**History**. Though terrifically charismatic in person, Getty grew more miserly as his wealth increased. Worse, he often left Teddy and their son, Timothy, behind for years at a time while he built planes for the war effort in the 1940s or brokered oil deals—he was the first American to lease mineral rights in Saudi Arabia, which made him, at his death, the richest man in the world. Even when Timothy was diagnosed with a brain tumor, Getty complained about medical bills and failed to return to the United States to support his wife and son. When Timothy died at age twelve, the marriage was already falling apart. Teddy's unrelenting spirit, her valiant friendship, and her winning lack of vanity transform what could have been a sob story into a nuanced portrait of a brilliant but stubbornly difficult man and the family he loved but left behind, as well

**Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made History**  
as an enchanting view into a bygone era. This was a life lived from the heart.

A New York Times–bestselling author’s “superbly reported” account of the dismantling of the world’s largest corporation (The Washington Post). Written by the two-time Pulitzer Prize–winning author of Ghost Wars and Private Empire, The Deal of the Century chronicles the decade-long war for control of AT&T. When the US Department of Justice brought an antitrust lawsuit against AT&T in 1974, the telecommunications giant held a monopoly on phone service throughout the country. Over the following decade, an army of lawyers, executives, politicians, and judges spent countless hours clashing over what amounted to the biggest corporate

History in American history. From boardroom to courtroom, Steve Coll untangles the myriad threads of this complex and critical case and gives readers “an excellent behind-the-scenes look” at the human drama involved in the remaking of an entire industry (The Philadelphia Inquirer). Hailed by the New York Times Book Review as “rich, intricate and convincing,” *The Deal of the Century* is the definitive narrative of a momentous turning point in the way America does business.

Mr. Getty expounds the highly personal view of business that has guided him through his spectacular career. He reveals the principles and methods which have enabled him to build up and wisely use his tremendous fortune.

## Read Free The Taking Of Getty Oil Pennzoil Texaco And The Takeover Battle That Made History

The news-breaking book that has sent shockwaves through the White House, Ghost Wars is the most accurate and revealing account yet of the CIA's secret involvement in al-Qaeda's evolution. Prize-winning journalist Steve Coll has spent years reporting from the Middle East, accessed previously classified government files and interviewed senior US officials and foreign spymasters. Here he gives the full inside story of the CIA's covert funding of an Islamic jihad against Soviet forces in Afghanistan, explores how this sowed the seeds of bin Laden's rise, traces how he built his global network and brings to life the dramatic battles within the US government over national security. Above all, he lays bare American intelligence's continual failure to grasp the rising
