Surfers to ride dangerously large waves and the destructive capabilities of tsunamis. 250,000 first printing.

In recent years waves have been recorded which are

Download Free The Wave In Pursuit Of The Rogues

dramatically larger in size. They have the power to flatten oil rigs and sink supertankers; they seem to disobey the laws of physics, swelling when logic shows they should be running out of steam. These rogue waves

Download Free The Wave In Pursuit Of The Rogues

have attracted an obsessive following of scientists, who seek to understand them, and of extreme surfers, looking to tame them. The author talks to the climatologists trying to unlock the causes of these waves, and looks at

Download Free The Wave In Pursuit Of The Rogues

the danger they will wreak on our planet. Guided by Laird Hamilton, big-wave-rider extraordinaire, the author exposes a world of obsession and dare-devil surfing, a world filled with eccentric wave-hunters -

Download Free The Wave In Pursuit Of The Rogues

both scientists and surfers - who are universally convinced that bigger waves are coming. And that they can ride them.

“Takes us to a place of almost mythic power and

Download Free The Wave In Pursuit Of The Rogues

Download Free The Wave In Pursuit Of The Rogues

submerged just fifteen feet below the surface of the ocean. Rumors and warnings about Cortes Bank abound, but among big wave surfers, this legendary rock is famous for one simple (and massive) reason: this is the

Download Free The Wave In Pursuit Of The Rogues

home of the biggest rideable wave on the face of the earth. In this dramatic work of narrative nonfiction, journalist Chris Dixon unlocks the secrets of Cortes Bank and pulls readers into the harrowing

A journalist's obsession brings her to a remote island off the California coast, home to the world's most mysterious and fearsome predators--and the strange band of surfer-scientists who follow them Susan Casey

Download Free The Wave In Pursuit Of The Rogues

was in her living room when she first saw the great white sharks of the Farallon Islands, their dark fins swirling around a small motorboat in a documentary. These sharks were the alphas among alphas, some longer

Download Free The Wave In Pursuit Of The Rogues

than twenty feet, and there were too many to count; even more incredible, this congregation was taking place just twenty-seven miles off the coast of San Francisco. In a matter of months, Casey was being

Download Free The Wave In Pursuit Of The Rogues

hoisted out of the early-winter swells on a crane, up a cliff face to the barren surface of Southeast Farallon Island-dubbed by sailors in the 1850s the "devil's teeth." There she joined Scot Anderson and

Peter Pyle, the two biologists who bunk down during shark season each fall in the island's one habitable building, a haunted, 135-year-old house spackled with lichen and gull guano. Two days later,

she got her first glimpse of the famous, terrifying jaws up close and she was instantly hooked; her fascination soon yielded to obsession-and an invitation to return for a full season. But as Casey readied herself

for the eight-week stint, she had no way of preparing for what she would find among the dangerous, forgotten islands that have banished every campaign for civilization in the past two hundred years. The Devil's
