Frederic Beigbeder's novel is a minute-by-minute account - in two voices - of the time between the plane strike on the North Tower and its ultimate collapse. One voice is that of an American man breakfasting at Windows on the World with his two young sons.

*Amazon.com: Customer reviews: Windows On the World*

Windows on the World was a complex of venues on the top floors (106th and 107th) of the North Tower (Building One) of the original World Trade Center complex in Lower Manhattan. It included a restaurant called Windows on the World, a smaller restaurant called Wild Blue, a bar called The Greatest Bar on Earth, and rooms for private functions.

### *Dangerous debris - Telegraph*

Windows on the World. I couldn't decide on what star rating to give this. This is, at once, the most horribly self-indulgent book I've ever read, and one of the most insightful looks into today that I've ever seen. The author is an asshole, who blends himself with the fictional character constantly.

Windows on the World is quite a depressing piece of French literature at times because of its subject matter, but it captures New York around the boom pre-9/11 perfectly, and its characters feel just like real people, making the book all the more powerful and memorable. Replay.

- Vous connaissez la fin: tout le monde meurt. Certes la mort arrive a pas mal de gens, un jour ou l autre. L originalite de cette histoire, c est qu ils vont tous mourir en meme temps et au meme endroit. La plupart des clients du Windows on the World ne se connaissent pas entre eux. Dans un instant, le temps deviendra elastique. Tous ces gens feront enfin connaissance. Dans un instant, ils seront tous unis dans la Fin du Monde. - Le seul moyen de savoir ce qui s'est passe dans le restaurant situe au 107e etage de la tour nord du World Trade Center, le 11 septembre 2001, entre 8 h 30 et 10 h 29, c'est de l'inventer. F. B."Un livre emouvant et fort qui confere a la litterature une mission fondamentale: dire l indicible." Gerard de Cortanze, Le Magazine litteraire."Frederic Beigbeder restitue le drame dans sa brutalite, sans bavardage. On ne peut qu etre impressionne par Windows in the World." Josyane Savigneau, Le Monde des livres."

11 de septiembre de 2001, 846 am en Nueva York El Boeing que transporta el vuelo 11 de American Airlines se estrella contra la torre Norte del World Trade Center Minutos antes, Carthew Yorston, un agente inmobiliario, divorciado y padre de dos niños, ha l

A daring yet moving evocation of the last moments for a father and his children on top of the World Trade Centre on September 11th. 'The only way to know what took place in the restaurant on the 107th Floor of the North Tower, World Trade Center on September 11th 2001 is to invent it.' Weaving fact and fiction, empathy and dark humour, autobiography and intellect, Windows on the World dares to confront the terrifying image that has come to define our world, the image onto which we project our fears, our compassion, our anger, our incomprehension. Beigbeder is a fierce, furious, infuriating chronicler of human iniquity and human suffering Frederic Beigbeder was born in 1965 and lives in Paris. He works as a publisher, literary critic and broadcaster. NB Frederic has an acute accent on each 'e'

A Life Without End is a fictional portrayal of Stan Miller, a man with a lifelong yearning for an afterlife that began as a child when his beloved pet dog died unexpectedly and he was too young to properly comprehend its death. Despite finding and marrying the woman of his dreams, raising a family, and establishing himself as a respected college biology professor, the finality and universality of death continued to haunt him throughout his entire life, triggering an exploration of several major religions, psychotherapy, and finally, science, all in quest of somehow eluding death and achieving immortality, or at least a greatly extended life span. In his early sixties, Stan develops a fatal disease (ALS) and, despite his wives many (thoughtful) reservations, ultimately decides to have his body cryonically preserved (frozen). He is returned to life sixty-one years later (in the year 2068) after a cure is found for his disease and discovers a very different world where the altered nature of human relationships are even more difficult to comprehend than the baffling technology surrounding him.

One Night In A Parisian Nightclub And The Aftermath Of A Marriage Provide The Stories For These Two Novels By Frederic Beigbeder, Award-Winning Author Of 'Windows On The World'. Both Novels, Translated Into English For The First Time Here, Are Narrated By Marc Marronier, A Shallow, Superficial, Rich Parisian Who Works As An Advertising Executive, But Concentrates Much Of His Energy On Frequenting The Demimonde Of Parisian Clubs And Bars. It'S A World Beigbeder Is All Too Familiar With, And His Caustic Observations Are All The More Accurate For It. In 'Holiday In A Coma', Marc Marronier Is Invited By His Old Friend, An American Dj, To The Opening Of A New Nightclub Called The Shitter (A Satirical Take On The Famous Paris Nightclub, Les Bains Douche). Taking Place Over A

Single Unforgettable Night, The Novel Documents Everything From The Pit-Bull Bouncer On The Door, To The Drugs, Cocktails And Wannabes Who Frequent The Club. Marc Has Set His Sights On Seducing A Catwalk Model Any One Will Do And Is Trying To Keep A Clear Head While All Around Are Paying Good Money To Lose Theirs. A Catalogue Of Degeneracy, Drugs, Sex And Decibels, 'Holiday In A Coma' Is Written With A Fury And Passion That Reflect The Author'S Own Relationship With A World And He Both Loves And Loathes. In 'Love Lasts Three Years', Our Hero Marc Has Just Been Divorced And Shallow Opportunist That He Is Has Decided To Write A Book About It. He Has A Theory That Love Lasts No More Than Three Years, And Here While Recounting The Highs And Lows Of His Marriage And Taking Us Through Brash Nightclubs, Vainglorious Offices And Soulless Designer Apartments He Brings To Bear The Theoretical And The Empirical To Prove His Point. Both Frightening And Funny, The Book Reads Like A Diary: Sometimes Tender And Real, Sometimes Fantastical And Cruel, Peppared With Beigbeder'S Acerbic One-Liners And Trademark Wit.

Arrested for snorting cocaine off a car bonnet, award-winning author and quintessential dilettante Frederic Beigbeder reflects on his troubled childhood, while spending a night in the cells.

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the Chronicles as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.

Set during the summer of 1941, this illustrated novel is a nostalgic, fictionalized account of the true-life love story of up-and-coming writer S.D. Salinger and beautiful socialite, Oona O'Neill, daughter of the great America playwright.

The remarkable story of a restaurant on top of the world—built by a legend, destroyed in tragedy—and an era in New York City it helped to frame In the 1970s, New York City was plagued by crime, filth, and an ineffective government. The city was falling apart, and even the newly constructed World Trade Center threatened to be a fiasco. But in April 1976, a quarter-mile up on the 107th floor of the North Tower, a new restaurant called Windows on the World opened its doors—a glittering sign that New York wasn't done just yet. In *The Most Spectacular Restaurant in the World*, journalist Tom Roston tells the complete history of this incredible restaurant, from its stunning \$14-million opening to 9/11 and its tragic end. There are stories of the people behind it, such as Joe Baum, the celebrated restaurateur, who was said to be the only man who could outspend an unlimited budget; the well-tipped waiters; and the cavalcade of famous guests, as well as everyday people celebrating the key moments in their lives. Roston also charts the changes in American food, from baroque and theatrical to locally sourced and organic. Built on nearly 150 original interviews, *The Most Spectacular Restaurant in the World* is the story of New York City's restaurant culture and the quintessential American drive to succeed.

Based on the award-winning 2019 film, this graphic novel chronicles a son's search for his undocumented immigrant father, who was working in the Twin Towers, in the wake of 9-11. An undocumented immigrant father has been bussing tables at the famous Windows on the World restaurant to support his family in Mexico. Then, tragedy strikes. His family hears no word for weeks. Refusing to give up hope, they send young Fernando on a quixotic mission across the border to find his father and bring him home. Along the way, Fernando experiences a warm embrace from fellow immigrants and a cold shoulder from *The City That Never Sleeps*. Told with empathy and nuance, this emotionally resonant story reflects on how the pains of our recent past have shaped the character of America.
